All of our costs to bring you the 2022 Laughlin UFO Mega Conference are going to go up significantly. Almost all of these costs are completely out of our control. They include: increases in airfare (we bring in 35+ presenters from around the world, 30+ staff/volunteers), hotel facility costs, our meal event food costs, hotel room costs (we buy approximately 60 rooms for 8 nights or more to cover your speakers and our staff). All of these various cost increases will see the price for attendees rise by well over \$100.

The final price raise could easily be \$150 to \$200; or even higher.

Register now to lock in the \$699 price, no matter how high the final price increase!
